There is a new fist of the north star movie called; Fist of the North Star (Hokuto no Ken - Raoh Gaiden Junai-hen). The animation looks sick and what more could you want hopefully this new movie will be true to the blood and guts mega massacre that the first movie was, killer fâ€™n action and insane combat made for one of the bloodiest classics letâ€™s see w will come of this one which is supposed to be made into movies and OAVâ€™z, check out the Fist of the North Star website and flash teaser.
